

## Calculus Homework #3 (2.1-2.2)

The following problems are assigned for sections 2.1-2.2. You should know how to do all of the problems and skills that are listed below. This does not mean that you have to do all of them! You should use these as practice to make sure that you have mastered the skills.

The questions that are written under need to be written up and turned in for a grade. These are the only ones that you MUST do.

Section 2.1 (page 66): #1-44, 49-58, 65-70

Write up: #2, 6, 11, 14, 17, 23, 37, 42, 49, 53, 57

Section 2.2 (page 76): #1-8, 13-48, 59-64

Write up: #3, 6, 14, 18, 23, 29, 39, 46
